

Southern European Seas: Assessing and Modelling Ecosystem changes

Latest News

- 4th General Assembly & 2nd Scientific Workshop reminder

This is a reminder for the 4th GA and 2nd Scientific Workshop which will be held in Villefranche, France, from 9 - 12 November 2009 (courtesy of our partner CNRS-LOV). For more information on the meeting place and the area, please visit the following link: <http://www.villefranche-sur-mer.org/pages/plan/planville.html>. Additionally, all participants need to fill in the registration form and send it back to the SESAME Management Team (maniopoulou@ath.hcmr.gr) before **15 September**. For the registration form, please visit <http://www.sesame-ip.eu/scientist/list-of-all-events>

- Deadline for paper submission for SESAME's 2nd Scientific Workshop, is approaching!

The deadline for paper submission for the 2nd Scientific Workshop is 18 September 2009. Please note that an extended abstract of two pages (illustrations could also be included) is needed this year. The final programme will be circulated by the end of October.

- SESAME's Integration Committee Meeting, 24-25 September 2009

The SESAME Integration Committee Meeting will take place from 24 -25 of September, at the HCMR premises, in Athens, Greece. More details, including the meeting agenda, are available at <http://www.sesame-ip.eu/scientist/list-of-all-events>

- Mendenhall Postdoctoral Research Fellowship on Integrated Coastal and Marine Geologic and Habitat Mapping -New Approaches and Products for the 21st Century

The US Geological Survey has established a Mendenhall Postdoctoral Research Fellowship investigating Integrated Coastal and Marine Geologic and Habitat Mapping—New Approaches and Products for the 21st Century. Students interested in advancing the science of benthic habitat studies, and that will have completed their Ph.D work by March, 2010, are strongly encouraged to apply. Guidelines for how to apply, as well as a complete listing of USGS Mendenhall Postdoctoral Research Fellowships can be viewed at: <http://geology.usgs.gov/postdoc>

- New deliverables online

Deliverables from WP1, WP3 and WP5 are now on the website. To view them, please visit <http://www.sesame-ip.eu/scientist/partners-only> and log in with your username and password.

- WP5 Meeting Minutes now online

The minutes from the WP5 meeting in Marseilles, in July 2009, have now been uploaded on the website. You may view them at <http://www.sesame-ip.eu/scientist/partners-only>.

This is an e-mail circulated to the SESAME mailing list. If you wish to subscribe or unsubscribe to this mailing list please email mpapath@ath.hcmr.gr.
SESAME IP is funded by the European Commission's Sixth Framework Programme, under the priority Sustainable Development, Global Change and Ecosystems.
